

Porter Quality

Crafted to the highest standards with added design features for lasting beauty and durability.

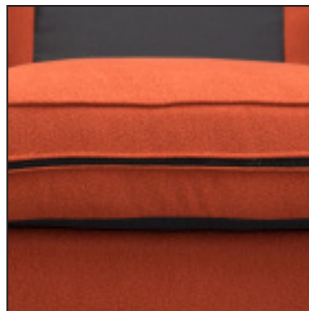

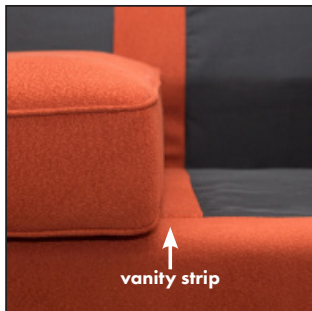

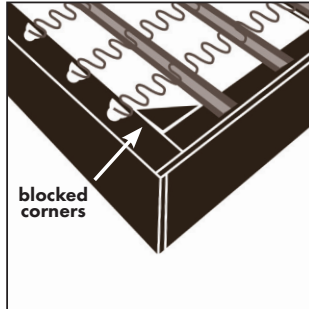

SUPPORT

Super responsive 1.8 - 2.2lb foam density for extra seat support.

INTEGRITY

Ultra-stable wood blocked corners on kiln dried wood frames.

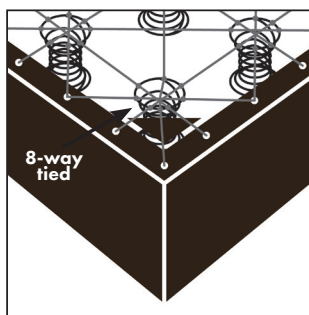

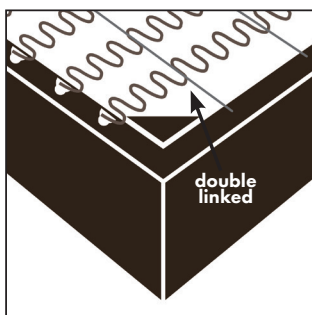

LUXURY

4" vanity strip seat decking and zippered cushions.

QUALITY

Impeccable fabric tailoring over fully reinforced wood sides and plush padded arms.

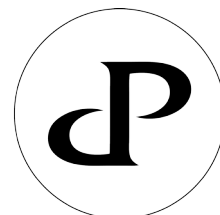

BUILT WELL

Double linked S-spring or 8-way hand-tied seating for stability & strength.

STRUCTURE

Extra springs are added to prevent "rolling" into the arms.
